Becky,

Enclosed is my draft letter and comments on the Area 4 Trowbridge Impoundment Work Plan. We are disapproving the document, but it should not be too difficult for Georgia-Pacific to revise. The biggest issue is there needs to be additional detail provided for the field reconnaissance plan to be conducted this field season. Rather than have GP submit a separate recon plan, I have instructed them to put the details of that recon plan in this revised work plan, to save time.

Please let me know if you have any comments.

Thanks  
Jim
